## CALL FOR ENTRIES

As a member of PSBA you are invited to participate in the 2024 PSBA Annual Exhibition. This year's suggested theme is **Time Travel**. As always, you are encouraged to think broadly in your interpretation. You're free to travel backwards or forwards or even sideways. This can be a personal journey to the past or you can envision a whole world of the future. There are no limits to your imagination.

*Here are some ideas to get you started:*

- Visit a period from your past or imagine your future.
- Side travel—what if you'd taken another path?
- Stepping stones—follow the thread of your life from beginning to the present or beyond.
- Travel to your favorite period in history or prehistory.
- Travel to the future.
- Imagine a whole new world.

This is the first year we are incorporating postcards into the exhibition. *(Please consult the Artist's Book Prospectus for submission information regarding artist's books.)* Postcards should follow the **Time Travel** theme.
